HEATING & COOLING MAINTENANCE

TWO HVAC INSPECTIONS PER YEAR

To stay comfy through every season. During an HVAC check-up, your technician will inspect the following:

FURNACE & BOILER

- Air filter
- Airflow conditions
- Heat exchanger
- Gas pressure
- Ignition sequence
- Heating controls and safety devices
- Drainage tubing and ports
- Wire connections and insulation
- Burners
- Pressure switch and tube
- Flame sensor
- Motor amperage draw
- Limit switch
- Thermostat operation
- Visual inspection of ductwork
- Radiant Heat & Flooring

HEAT PUMP

- Air filter
- Airflow conditions
- Outdoor coil
- Refrigerant levels
- Defrost cycle and reversing valve
- Voltage outdoor unit and indoor fan
- Staging of heat strips
- Emergency heat operation
- Thermostat operation
- Visual inspection of ductwork

AIR CONDITIONER

- Air filter
- Airflow conditions
- Indoor coil (condensation drain and pump; drain pan and coil surface)
- Outdoor coil and drain
- Signs of leaks
- Condenser (electrical wiring, connectors and insulation; condenser fan motor and compressor)
- Refrigerant levels
- Thermostat operation
- Visual inspection of ductwork
- Mini Split Units

PLUMBING MAINTENANCE

ONE PLUMBING INSPECTION PER YEAR

To keep your home running smoothly, 24/7. We inspect your entire plumbing system in the following areas:

- Bathrooms (toilet, sink & faucet, tub/shower unit & spout)
- Laundry (faucet & laundry tub, washing machine, dryer)
- Basement/utility (water heater, sump pump)
- Garage/yard (two hose faucets)
- General plumbing (water supply piping, sanitary system)
- Kitchen (faucet, sink, dishwasher, ice maker, hot water dispenser)
- Additional (fireplace, wet bar)

Vito Services has been servicing our HVAC systems since we moved into our home 5 years ago, and did so also, for the previous home owners for 7 years. We are tremendously happy with the services provided: highly professional, prompt, and responsive. They have always solved whatever problem has arisen and is informative during the process. Vito Services was instrumental in orienting us when we had to purchase our new system, and has since given them proper maintenance.
